

ADVERTISEMENT FOR BIDS

Sealed proposals for the **Maxwell Outfall Pump Stations and Piping Improvements Project** (the “Project”), will be received until **2:00 P.M Central Time**, on Thursday, **April 9, 2026**, by hand delivery or by Federal Express, UPS, or USPS delivery directly to **Hollis Josey, P.E.**, The Water Works and Sanitary Sewer Board of the City of Montgomery, Alabama (the “OWNER”), 2000 Interstate Park Drive, Montgomery, AL 36109, and at that time publicly opened and read. A Mandatory Pre-bid meeting will be held on **Thursday, March 26, 2026**. Information about this Pre-bid meeting will be provided to plan holders.

The Project consists of the following major components:

1. Demolition of approximately 8,500 LF of aerial outfall piping varying in diameters from 18-inch to 30-inch pipe.
2. Construction of three new pump stations including pumps, piping and valves, related site work, electrical work and electrical building, metal canopy, generators, and instrumentation and controls.
3. Removal and replacement of pump and piping at existing Pump Station 20.
4. Installation of new force main consisting of approximately 6,300 LF of 18-inch pipe and 3,000 LF of 20” pipe.

Contract Documents for the Project may be viewed and downloaded by registering with QuestCDN online at www.questcdn.com or physically examined at the office of the Owner’s Engineer, Jacobs, at 4121 Carmichael Road, Suite 400, Montgomery, AL 36106.

To view and download digital documents for this project at QuestCDN.com, login or sign up for a free membership within the website’s Bidders Tab.
