AUBURN UNIVERSITY

at which time and place they will be publicly opened and read in **Facilities Management Building One, Training Room A**

SCOPE OF WORK:

The general scope of the work includes but is not limited to:

The project includes a new Multi-Use Facility at the north-end of Jordan-Hare Stadium. The proposed 7-level addition will include approximately 300,000 square feet of new building constructed around the recently completed north videoboard structure. Select renovation throughout the north-end area, as well as single-story construction below the bleachers will be required. The balance of the project will include premium seating areas, kitchens, concessions and stadium support facilities, along with conference/event spaces, retail venues, student activity spaces, and meeting rooms. The new building program will support Auburn University students, faculty and non-university public gatherings and services, including football games and other large gathering events.

The Pre-Bid Conference will be held on July 14, 2026 at 10:30 A.M. CST at Facilities Management Building 1, Training Room A, 1161 West Samford Avenue, Auburn University, AL 36849.

In accordance with Code of Alabama, 39-2-2(a), prequalification is required for this project. The prequalification application is available on the Auburn University Public Works Bid Calendar located at: <https://fm.auburn.edu/bid-calendar/>.
