

NOTICE OF INVITATION FOR BIDS
UNIONTOWN WATERWORKS AND SEWER BOARD
LANEY HILLS AND HARVEST WASTEWATER PUMP STATION REHABILITATION
UNIONTOWN, ALABAMA

Bid No.: LH-CS011107-02 **Advertisement Date:** September 29, 2026

Sealed bids will be received by the Uniontown Waterworks and Sewer Board for rehabilitation of the Laney Hills and Harvest wastewater pump stations. The work includes furnishing all labor, materials, equipment, supervision, transportation, testing, disposal, and incidentals required for complete and operational installations.

Major Work Includes: wet-well inspection and cleaning; removal and disposal of existing pumps and associated equipment; two new submersible wastewater pumps at each station; new 2-inch pump guide rail systems; new duplex pump control panels; primary transducer-based level control; two independent backup float switches; required electrical modifications; temporary bypass pumping as required; testing, startup, commissioning, operator training, and O&M documentation.

Station	Single-Pump Design Flow	Single-Pump Design TDH
Laney Hills	200 GPM	36 feet
Harvest	527 GPM	58 feet

Mandatory Pre-Bid Conference Date/Time: October 6, 2026, at 10:00 A.M.

Location: Uniontown Waterworks and Sewer Board Office, 1055 Washington Street, Uniontown, Alabama. Attendance is mandatory. A bidder who does not attend may be considered non-responsive and the proposal may be rejected.
